My Lifes Lyrics Encrypted: Hate Me or Love Me (Life Series Book 1) Delano Johnson

This book is much deeper than poetry. Everybody has a story, this is mine. There were times I hated myself. There were many times I had given up, there were even times I thought to myself, is life really worth living? I remember asking myself the question, if I died, who would even miss me? I questioned myself, wondering, why was I here? Here on this heartless earth? I have been through so many hardships, and they can make you or break you and once upon a time in life, they broke me. I put the gun to my head and pulled the trigger and these are the words that oozed out of my brain. Welcome to my twisted world. Will you be able to decipher the secret encryption of my life? One thing that I can promise you after you have finished reading this book is that you will hate me or love me.
