From the Publisher

Do you ever have those days where you just don't feel like getting out of bed?

Where you feel discouraged, that your journey to success is too long, too hard, and that maybe, just maybe, this destination called SUCCESS is like the land of OZ and it only exists in stories?

Do you ever feel like you're all alone and you just can't do it, that maybe you don't deserve the success you truly desire?

Do you ever just wonder why you try?

Do you ever wonder who the heck you are to want all this success and prosperity?

I do.

In fact this morning I woke up and I just really DID NOT want to get to work.

I didn't feel like writing.

I didn't feel like getting out of bed.

I started asking myself all those ugly little doubtful questions...

Then I stopped and said, "This isn't like me. This feels crappy - I do NOT like this one bit!"

Sorry not gonna' wallow in this!

So I popped open my copy of Successisms and I just started flipping through.

Before long I was answering my own questions...

No I'm not alone.

Of course I can do it.

Yes I deserve all the prosperity and success I have, want, and can even remotely desire.

Now I know you get discouraged too - we all get discouraged - and that's why I sat down to write this letter this morning.

We all have those days where we're in a "funk" and sometimes it's hard to drag ourselves out of it.

To help myself along the journey, I compiled this book of quotes to use as a quick pick-me-up on those days when I get up and feel like I don't want to do it anymore, or when I've forgotten why I'm trying in the first place.

As soon as I open it Mother Theresa, Winston Churchill, Goethe, and dozens of others -great men and women from today and throughout history - are standing there screaming and yelling, cheering me on, giving me the encouragement and support I need to get back on course.

It's a very powerful feeling to be able to pick it up and flip through just a few pages and remember why we're working and what we're here to do. Remember that we're here to succeed, that we can succeed, that we HAVE to succeed.

And this morning, it really hit me that other people also NEED access to these words of wisdom - to this motivation - and that it is within my power with the help of Amazon.com to get it to YOU.

Enjoy!
