This is the story of one spring with a middle school JV baseball team, consisting of sixth and seventh grade boys. The emphasis is on the sixth graders who made the cut and play on the team. This started out being a baseball story with some sex hanging from it. Instead, it seemed to morph more into a sex story with some baseball hanging from it. There is a lot of action both ways throughout the story. So be warned, there is sex between minor boys in this story, so don't read it if it bugs you or you're not supposed to read such things. But there are also budding friendships, romance, and of course, baseball, along the way.
