## **Working for the Common Good: Concepts and Models for Service Learning in Management (Service Learning in the Disciplines Series)**

Service-learning prepares business students to see new dimensions of relevance of their coursework. It provides structures for students to establish caring relationships with others that validate their humanity. Service-learning is an important way for management faculty to help their departments, schools, and universities to better fulfill their missions and visions. This volume, 15th in the Service-Learning in the Discipline Series, provides an excellent way to get involved.
