Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0134057236.

Here is specific, practical help for planning, designing, and implementing effective early childhood curriculum, ages three through eight. In it, readers see clearly how children learn; what children can learn; and the specific concepts, ideas, and strategies that are developmentally appropriate for young children. Reader friendly and filled with examples, anecdotes, and practical, hands-on strategies, activities, and lesson plans, *A Practical Guide to Early Childhood Curriculum* looks at how to teach, while providing a solid foundation for the theoretical basis of the concepts being applied. Teachers see clearly what can be taught to young children, why it is important, and how it can be accomplished. The emphasis is on the importance of a child-centered curriculum that encompasses the whole child—physical, social, emotional, creative, and cognitive—and the focus is on the developmental needs of the children in the classroom, the cognitive areas of the curriculum, and effective methods of curriculum implementation. The Enhanced Pearson eText features embedded videos and assessments.

Improve mastery and retention with the Enhanced Pearson eText*

The inside or content is definitely fantastic as the outside or maybe cover. Your reading 6th sense will directly direct you to pick up this book.

David Baxter:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this A Practical Guide to Early Childhood Curriculum (10th Edition) can make you really feel more interested to read.
