The "New Bridges Placement and Evaluation Package" is a **placement test** designed to help administrators and teachers determine the level of "**New Bridges**" books which students should study.

This test is divided into three components: 1) speaking/reading aloud, 2) listening, and 3) writing/spelling/grammar. It takes 55-75 minutes to administer and can be given to multiple students at one time.

The package includes three photocopiable items:

- 1) the "Student" booklet (which is the assessment test)
- 2) the "Short Form" (which administrators can use to register students who don't want to take the test and simply want to study "Book 1" AND to register returning students who don't need to take the test)
- 3) the "Teacher" booklet (which provides the following: a) scripts for the teacher to follow in administering the listening and speaking evaluations; and b) answer keys for all the sections).

The inside cover of the package provides guidelines on how to copy and score the test.

The other resources in the "New Bridges" series include Student Books 1-5, Teacher's Editions 1-5, the Teacher's Resource Pack, Game Cards, and Conversation Cards 1-4.

This Placement and Evaluation Package is the 8.5" x 11" version of the "Form A" test in the "Teacher's Resource Pack - Book C".
