## **On Religion (Thinking in Action)** John Caputo

John D. Caputo explores the very roots of religious thinking in this thought-provoking book. Compelling questions come up along the way: 'What do I love when I love my God?' and 'What can Star Wars tell us about the contemporary use of religion?' (are we always trying to find a way of saying 'God be with you'?) Why is religion for many a source of moral guidance in a postmodern, nihilistic age? Is it possible to have 'religion without religion'?

Drawing on contemporary images of religion, such as Robert Duvall's film *The Apostle*, Caputo also provides some fascinating and imaginative insights into religious fundamentalism.
