Dealing with the police. Disaster preparedness basics. The business of marriage and the absurdity of licensing what should be private. How and why the government can claim your children and what you can do to avoid this. The carrot-and-stick aspect of citizenship. The scam of corporate tax collection and the hazards of 'having income.' Questioning authority. Internet spying and the growth industry of 'security' surveillance. The paramount importance of protecting your privacy. The vital issue of an individual's right to bear arms. The lure, dangers and history-repeats-itself aspect of fiat currency. Standing Under Freedom.
