## Air France One Donald A Gazzaniga

Terror in the skies has always been in the forefront of those who feared flying. Now we have a new threat that should drive fear even into those not afraid to fly. Author Gazzaniga presented this tale years before that deadly September morning in 2011. Are we safe today? Is getting into an airliner safe from a mass attack of terrorists who still prowl our world? Air France One is about just such an attack. Although the plane used is no longer permitted to fly, terrorists still dream of killing Americans. No amount of political whitewashing of Al Queda, and other violent organizations will prevent them from one day grabbing another plane or ship or train and using them as weapons of war. Do you remember when the U.S. government called creative people to D.C. to come up with potential threats against America from terrorists? Air France One was written before 911 and few paid attention. You'll find things different in Gazzaniga's work, but the results would be devastating if art becomes real life. \*\*\*\* "While Gazzaniga's book shows how a terrorist attack could be carried out, on the other hand it serves as a warning by offering a blueprint for an attack that can be thwarted by preparing for it before it happens." - Alton Pryor, Stagecoach Publishing (.com) \*\*\*\* "That's one helluva yarn you wrote! Makes me wish The Fiction Works had published it. That puppy has 'Major Motion Picture' written all over it." Ray Hoy, Author, Publisher, [www.fictionworks.com](http://www.fictionworks.com) \*\*\*\* Eerily prescient, Donald Gazzaniga wrote this truly thrilling thriller more than a decade before 9/11. A wonderful read – especially now! – Thomas B. Sawyer – author of bestselling 9/11 thriller NO PLACE TO RUN \*\*\*\* "Where was this author when I was producing the Airport movies?" – William Frye, Producer, Raise the Titanic, Airport 1975, '77, Thriller \*\*\*\* "The suspense doesn't get any more supersonic than this." – Mark Webb, Motion Picture Producer \*\*\*\* "Thrilling isn't a big enough word to describe this scary tale. The author may have written this before 9/11, but it's still viable and very scary today. " – Tony DiMarco, TV Story Editor, Author, Screenplay Writer. \*\*\*\* "Donald Gazzaniga has woven a story here that is unbeatable. Scary, a thriller through and through. It will be in my library for a long time." — J. N. Williamson, Author Horror House, The Ritual, Premonition, Queen of Hell, The Offspring and others. \*\*\*\* "Warning: Do not start this book if you have something important to do the next day...you won't have had any sleep!" — Rebster, Book Reviewer \*\*\*\* "The action moves so fast your hair will be slicked back!" - Frank Stevens, Writer, Author,
