**Beatrice Blakely:**

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Cholesterol measurement: Error and variability : hearing before the Subcommittee on Technology of the Committee on Science, U.S. House of ... Congress, first session, February 14, 1995 can make you really feel more interested to read.
