## Prayer Workbook: 7 Most Dangerously Powerful Prayers In The Bible

Hello friend. This book is divided into two parts. The first three chapters serve as a prayer workbook, a guide on how to pray. The last chapter outlines seven of the most powerful prayers in the Bible that you can model or alter or memorize for your own use.

In this book, we will look at how circumstances or situations influence prayer using examples from some of the most popular Bible figures. For instance, we shall look at the prayer of Moses and the Israelites after God delivered them out of Egypt, which was a thanksgiving prayer, as opposed to the prayer of Jesus Christ at the Garden of Gethsemane the night He was to be killed, which was a desperate prayer. For most of us, our circumstances will influence the type of prayer that we say.

This book will also outline for you the right way to pray according to Jesus Christ Himself. The Gospels are full of wonderful stories about this man and thought provoking parables that He used to illustrate God's message. Jesus teaches about prayer attitude that Christians should have when approaching God. He taught this through the parable of the Pharisee and the Tax Collector. Chapter Two of this book will go into detail about the significance of this parable and the major lesson about praying that we can learn from it.

The third lesson that we will learn from this book is how to ask God for a favor when praying. We will learn how to use prayer as a form of worship to the Almighty and how to show gratitude for God's provisions in our prayers. God wants us to pray and more-so do it in the right way. Jesus says 'no one gets to the Father but through me', for He is the Son of man and He is righteous.

Last but not least, the last chapter of this book will reveal to you the seven most powerful prayers in the Bible. The Holy Book has a substantial amount of prayers and what better place to get inspired than from the countless Bible figures. Everyone in the Bible has a unique journey that they went through that we, as Christians can take lessons from.

This book will surely leave you inspired in this new year and with God's grace, all your aspirations that you will commit to the Lord through prayer lessons from this book will come to pass.

Your friend, J.C Clark
