## **Sexual Intelligence: What We Really Want from Sex--and How to Get It** Marty Klein

This is not your standard sex book. Sex therapist, sociologist, and *Psychology Today* contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual.

“Marty Klein is the Steve Jobs of sex advice. . . . *Sexual Intelligence* is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential.” —Ian Kerner, best-selling author of *She Comes First*
