Vanity Fare: A novel of lattes, literature, and love Megan Caldwell

Vanity Fare is a charming tale of food, family, literature, and romance in which a 40-year-old newly single Brooklyn mother embarks on a culinary writing career and finds herself at the center of a deliciously tempting love triangle.

Molly Hagan—“a heroine who’s wittier than Ellen DeGeneres on speed” (*New York Times* bestselling author Sabrina Jeffries) is overwhelmed. Her cheating husband left her for a younger blonde, her six-year-old son is questioning her authority, and she’s starting a job as a copywriter for a local Brooklyn bakery.

She doesn’t need the complications of a new love. But the bakery’s sexy British pastry chef is determined to win her heart. And there is his intimidating and oh so irresistible business partner...who happens to have a secret that might prevent Molly from getting her own Happily Ever After.

Funny and sweet, Megan Caldwell’s charming romantic novel includes five delicious recipes developed with the pastry chef from Union Square Café.
