Law of the Jungle: The Hunt for Colombian Guerrillas, American Hostages, and Buried Treasure

John Otis

Law of the Jungle by John Otis is a wild and riveting true story of kidnapping and drug trafficking in the jungles of South America. Written by a 20-year veteran reporter based in Colombia—the *only* reporter qualified to tell the tale—this incredible account of “The Hunt for Colombian Guerrillas, American Hostages, and Buried Treasure” tells the untold flip side of the story chronicled in the *New York Times* bestseller *Out of Captivity*. An amazing surreal-but-true adventure in the tradition of Mark Bowden’s *Killing Pablo* and *Blackhawk Down*, *Law of the Jungle* is, at once, heroic, tragic, and bizarre, placing the Colombian hostage story in its full and magnificently strange context.
