Matthew (Texts @ Contexts) Nicole Wilkinson Duran

The Texts @ Contexts series gathers scholarly voices from diverse contexts and social locations to bring new or unfamiliar facets of biblical texts to light. Matthew sheds new light from new perspectives on themes in the Gospel including community; land, labor, and Empire; children, parents, and families; health and disabilities; and border-crossings. The authors challenge us to consider how we deal with cultural distances between ourselves and these ancient writings—and between one another in the contemporary world.
