STEAMPUNK

Drawing Amazing Steampunk Figures!

Steampunk figures: A glimpse of the ultimate and happening genre Modern perspective on culture and style can be quite self-limiting. It does not cater to the innermost cravings in us. For those who crave for something that is both retro and futuristic and certainly not of mainstream variety, Steampunk is the ultimate genre that has come here to stay. While earlier Steampunk had been more of a fictional genre, it has turned into a structured but flexible framework, which opens up endless possibilities of reinvention. It also rewards you with a shared and evolving alternate universe. If you are interested in showing your expertise in this new and happening genre, this eBook is the right place to start. Steampunk drawings are versatile in nature. You can draw anything and everything from a butterfly to a mansion. All you need to have is passion for the genre and of course some imagination. This eBook takes you through the basics in steampunk drawings, so you get on to a rousing start in the steampunk genre and get in touch with your past and future.
