The Constitution of the United States: Including The Declaration of Independence and The Bill of Rights Constitutionalist

America's founding documents: The Declaration of Independence and The Constitution of the United States including The Bill of Rights and the subsequent amendments (11-27). Over the years many amendments supersede certain parts of the original text as well as some older amendments. This book places the old and new text next to each other for easy reference. No interpretation or opinion - just the facts.
