The Riverside Chaucer Geoffrey Chaucer

The third edition of the definitive collection of Chaucer's Complete Works, reissued with a new foreword by Christopher Cannon. Since F. N. Robinson's second edition of the *The Works of Geoffrey Chaucer* was published in 1957, there has been a dramatic increase in Chaucer scholarship. This has not only enriched our understanding of Chaucer's art, but has also enabled scholars, working for the first time with all the source-material, to recreate Chaucer's authentic texts. For the third edition, an international team of experts completely re-edited all the works, added glosses to appear on the page with the text, and greatly expanded the introductory material, explanatory notes, textual notes, bibliography, and glossary. In short, the *Riverside Chaucer* is the fruit of many years' study - the most authentic and exciting edition available of Chaucer's Complete Works.
