**Time Expired: And Other Stories** R. Joseph Owles

*Sometimes, when he prays, he asks God for a time machine, or he asks God to let him wake up to find that all the years since that morning were nothing more than a dream – he asks for anything that will get him back to that last moment together with her. This time he knows that he would stay! Even though the same tonnage of commitments and obligations would still weigh heavily upon him, this time he would refuse them. He would stay in that all-too-small bed, kiss her on the cheek, breathe deep that unwashed, boney body, and fall back to sleep. And even if he gave up everything for her and nothing permanent came of it, it would still be worth more than the choice that he made.*
