Analytical Anthology of Music Ralph Turek

This collection of 155 musical scores from more than 50 composers is intended for music theory (freshman/sophomore) and analysis (junior or senior) courses required of music majors. The music is organized chronologically and grouped into units representing historical periods from the Middle Ages to the Twentieth Century. The book is an excellent value for students, offering a broad range of selections that can be used from the freshman through junior or senior years of study. A unique instructor's reference manual contains teaching suggestions, discography, index of forms and genres, and answers to text questions.
