Kissed by Fire (Sunwalker Saga Book 2) Shéa MacLeod

As a vampire bounty hunter, Morgan Bailey has seen her fair share of strange things. There was the time she got mixed up with a race of powerful immortals known as sunwalkers. Then there was that time she hooked up with a gorgeous Templar Knight. And oh yeah, she was also the one who uncovered the secrets of an Atlantean artifact that everyone was killing each other over. So she's confident there's no supernatural challenge she can't handle—until now.

When a murder investigation leads Morgan to London, she encounters something she never expected to see: dragons. It seems they might not be so extinct after all. Her one chance of preventing certain carnage if the dragons are unleashed is to confront the truth about her own past, and about the Darkness growing inside of her.
