Office politics are the strategies that individuals use in the workplace to get an advantage personally or for a certain cause they support. It's a struggle for power and some people excel in this while others do not. Although many of us would often like to avoid playing office politics, this unfortunate scenario exists in any workplace with more than a few individuals and is something one must face early on.

Rather than avoiding this, you should learn to take advantage of this scenario and play your cards right.

Office Politics: How to Survive and Thrive in the Dirty Game of Office Politics provides you all the necessary knowledge to not only survive in this political workplace, but thrive in it as well so that you can quickly ascend the corporate ladder or whichever organization you are working in. Written in a concise manner, the book will guide you to the knowledge you want earlier and more efficiently.
