These word scramble puzzles consist of pairs of song titles and corresponding singers or bands where the letters have been scrambled. Solve each puzzle by rearranging the letters to form the matching song and artist. For example, consider the following puzzle: DBA CARMENO (song), DALY AGGA (artist).

Rearranging the letters DBA CARMENO, we can form the song BAD ROMANCE, and rearranging the letters DALY AGGA, we can form the corresponding singer, LADY GAGA. A hints section at the back of the book provides the first letter of each answer, which is handy if you just need a little help; a separate section provides the answers so that you can check your solutions.
