The Tree of Life is a roadmap of a journey which explains how Creation came into being and how it will end. It also explains what Creation is composed of and also what human beings are and what they are composed of. It also explains the process of Creation, how Creation develops, as well as who created Creation and where that entity may be found. It also explains how a human being may discover that entity and in so doing also discover the secrets of Creation, the meaning of life and the means to break free from the pathetic condition of human limitation and mortality in order to discover the higher realms of being by discovering the principles, the levels of existence that are beyond the simple physical and material aspects of life.
