Defending Objectivity: Essays in Honour of Andrew Collier (Critical Realism)

Andrew Collier is the boldest defender of objectivity - in science, knowledge, thought, action, politics, morality and religion. In this tribute and acknowledgement of the influence his work has had on a wide readership, his colleagues show that they have been stimulated by his thinking and offer challenging responses. This wide-ranging book covers key areas with which defenders of objectivity often have to engage. Sections are devoted to the following:

- * objectivity of value
- * objectivity and everyday knowledge
- * objectivity in political economy
- * objectivity and reflexivity
- * objectivity postmodernism and feminism
- * objectivity and nature

The diverse contributions range from social and political thought to philosophy, reflecting the central themes of Collier's work.
