**IGCSE Information and Communication Technology (Book & CD Rom)** Graham Brown, David Watson  
This brand new textbook (with CD) has been specially written to support CIE's latest IGCSE in Information and Communication Technology (0417). The authors are experienced examiners and teachers, and bring a wealth of theoretical knowledge and practical experience to both the book and the CD, ensuring that students are fully prepared for both the written theory paper as well as the two practical papers. Each Section of the syllabus is fully covered in the text book, with clear explanations and plenty of tasks and activities. The CD contains source files for the tasks and activities, as well as examination-style questions (with model answers) and a glossary.
