## **Julius Caesar: The Life of a Roman General (Graphic Nonfiction)** Gary Jeffrey

Ambitious, ruthless, shrewd, cruel, and intelligent are a few of the words that have been used to describe this man who changed the course of civilization. Caesar's military conquests and political alliances altered Rome's decaying system of government, producing the greatest of all ancient empires. This richly illustrated graphic novel takes readers on a journey to the ancient world where political intrigue and military might gave birth not only to the rise of Caesar but also to his bloody assassination.
