Michelle Lee-Barnewall

Regarding gender relations, the evangelical world is divided between complementarians and egalitarians. While both perspectives have much to contribute, the discussion has reached a stalemate. Michelle Lee-Barnewall critiques both sides of the debate, challenging the standard premises and arguments and offering new insight into a perennially divisive issue in the church. She brings fresh biblical exegesis to bear on our cultural situation, presenting an alternative way to move the discussion forward based on a corporate perspective and on kingdom values. The book includes a foreword by Craig L. Blomberg and an afterword by Lynn H. Cohick.
