Wakan Man

Fredrick W. Boling

Wakan Man Fredrick W. Boling

Twin Scots, Joshua and Joel Leslie, journey into the wild Wyoming territory of 1866. Joel, a missionary, is captured, tortured and blinded by Lokotas as he travels to Montana. Escaping with help of a Lakota medicine man, he lives amongst a Crow tribe. Rejecting his calling, he becomes a medicine man and takes a Crow wife. Hatred for his brother grows, as does the thirst for vengeance against the ones that blinded him.

Joshua deserts his surgeon's post to find and rescue Joel. The harsh Wyoming winter, a crazed mountain man, Jack Hooker, and gold fever all interfere with his search. Hungry for gold, he and Hooker's squaw travel to South Pass, fearful of the mountain man's revenge.

Each brother experiences more trials until their paths cross once more. . . both changed. . . both facing an uncertain future.
